Sodium	1.0%	Selenium	1.5mg	Crude Fibre	8%
Salt	24g	Vitamin A-Retinol	2200IU	Crude Fat	2.8%
Magnesium	0.5%	Vitamin E	400mg	Zeolite	1%
Sulphur	3.2g	Vitamin B1 - Thiamin	12mg		
		Vitamin B2 - Riboflavin	8mg		

BENEFITS

Delivers all the necessary supplementation in half to one kilogram per day. Calcium to Phosphorus ratio of 1.9:1 combined with high trace element levels makes this product ideal for foals, weanlings and yearlings. Many of Australia's top stud farms have benefited from the proven reliability of Horsepower Spellets for over 20 years. Formulation is based on thousands of blood and pasture analyses. Spellets are a simple to use yet highly effective complete supplement.
